

Robert Boulet

Vice President, Canada

ARROW ENTERPRISE COMPUTING SOLUTIONS

Robert Boulet serves as vice president, Canada, for Arrow Enterprise Computing Solutions and oversees all Canadian operations for Arrow ECS. He previously served as vice president of the Arrow ECS North American Storage Group.

Robert came to Arrow ECS from GE Capital IT Solutions (GECITS) in Ontario, where he served for two years as president and CEO. During his tenure, he was responsible for the business strategy, execution, and performance of the Canadian division. Before serving as CEO, Robert was in various sales roles for GECITS from 1983 to 2001.

A native of Montreal, Robert has received many distinctive business awards for outstanding performance on the job. He graduated with a bachelor's degree in business administration from Hautes Études Commerciales, Université de Montréal.
